Health Care for the Uninsured

ANNUAL REPORT 2017-2018

2800 Kirk Avenue
Baltimore, MD 21218
www.shepherdsclinic.org

A Letter from the President

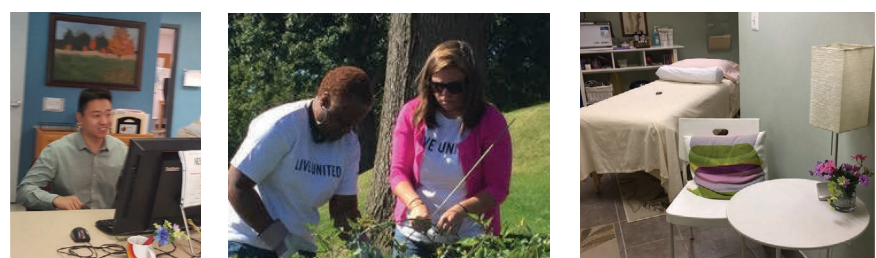

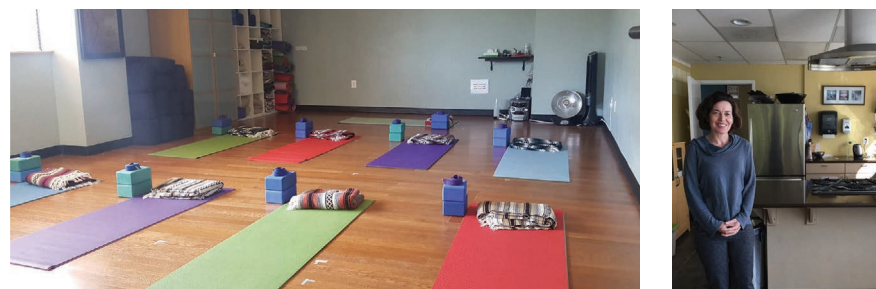

Shepherd's Clinic has had its doors open for the past 27 years, ensuring low income uninsured individuals in Baltimore city's northeastern region can receive much needed medical services.

In addition to the comprehensive medical services Shepherd's Clinic provides, there are a host of other wraparound services available to patients and community members. We not only are focused on disease treatment, but have vastly increased our programming for patient education and disease prevention through our Joy Wellness services. We recognize that focusing on community health and education allows us to intervene earlier in our community's wellness journey. Additionally, mental health services remain a critical piece of care provided on site at Shepherd's Clinic and one that is poised for growth in the coming year. We recognize the scarcity of these resources in the community and Shepherd's Clinic remains committed to providing onsite counseling.

Our former office manager, Karen Carter, and her husband Keith retired last year and are greatly missed. Karen and Keith remain enmeshed in the spirit and energy of Shepherd's Clinic, as they have both led staff and patients through hard times with their conscience, civility, and compassion.

Looking forward, Shepherd's Clinic and Joy Wellness Center is embarking on a year of growth and expansion, under the excellent leadership of our new Executive Director, Dr. Mariana Izraelson. Dr. Izraelson, who earned her doctorate in psychology, joins us from a long career focused on Baltimore's underserved and uninsured populations. She is skillfully and energetically building on the clinic's long history and strengths, as well as expanding efforts to best meet the needs of the community.

Melissa DeLong, MD
President of the Board of Directors

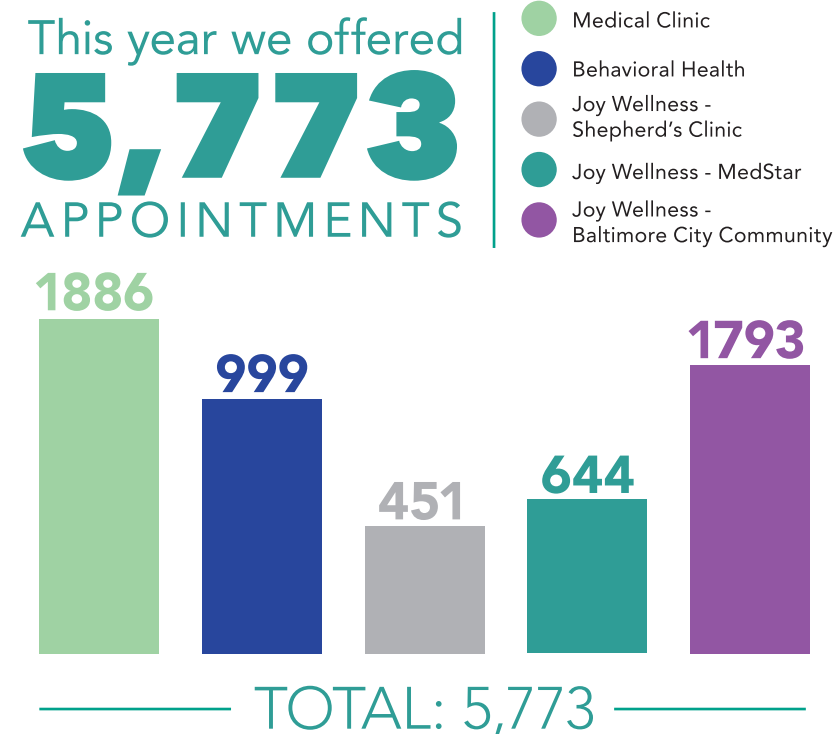

Revenue and Expenses

FY 2017-2018 *Preliminary. Audited statement available in early 2019.

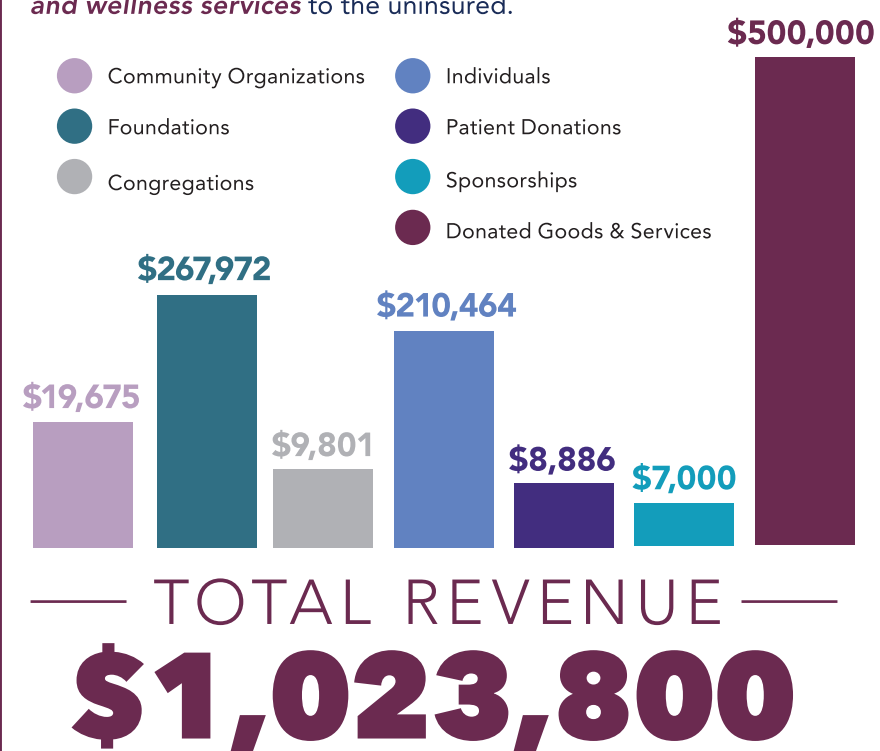

Our Patients

We are extremely grateful to **MedStar Union Memorial Hospital** for the **772 specialty care services** offered to our patients. We served **755 patients**.

William H. M. Finney Foundation

The idea for a clinic dedicated to serving uninsured people took root in 1989 in response to Union Memorial Hospital's emergency room seeing a large number of uninsured individuals who found no other alternative for their healthcare. After learning about the grassroots effort to establish a clinic for those in need, Dr. William Finney, retired UMH chief of staff, joined as the Shepherd's Clinic's first volunteer medical director.

In 1999, several supporters of the Clinic created a foundation and named it in Dr. Finney's honor. The Foundation purchased and renovated the building at 2800 Kirk Ave, and it continues to provide tremendous support to the Clinic and the Joy Wellness Center by providing rent-free space as well as operating grants to assist the Clinic in meeting its expenses.
